next level.*

# **SchoolCAS.com**

*For 2025-26*

**Introducing the **Smart Assistant** feature with  
School Customizable Accounting Software  
(SchoolCAS) and Customizable School Progress  
Report Software (CSPRS).**

We are delighted to introduce SchoolCAS, a user-friendly offline accounting software designed based on UDISE/E-Shikshakosh data requirements, and CSPRS, a CBSE-based Progress Report Software. These software solutions have been advised and tested by real users.

*Seven days of free trials are available for both software  
programs. Feel free to contact us to get started!*

# School Customizable Accounting Software (SchoolCAS)

*With Smart Assistant*

SchoolCAS enhances the efficiency of your school's financial operations by combining powerful features with ease of use. Whether it's managing student data or generating detailed reports, this software adapts to your institution's unique needs.

## 🌟 Key Features of SchoolCAS

### 📁 Essential Functionalities:

- 📊 Student Data Management: Aligns with UDISE and E-Shikshakosh requirements.
- 💳 Easy and Fast Fee Deposit: Streamlines fee collection and recording.
- 📅 Monthly Due List: Generate and print lists of students with pending fees.
- 💰 Budgeting: Create and manage institutional budgets with ease.
- 📄 Expense Entry: Track and record expenditures effortlessly.
- 📈 Income and Expenditure Reports: Get detailed financial performance reports.
- 🖨️ Printing Capabilities: Print Admit Cards, Fee Cards, Transfer Certificates, and more.
- 🔧 Easy Rectifications: Correct errors or update data without hassle.

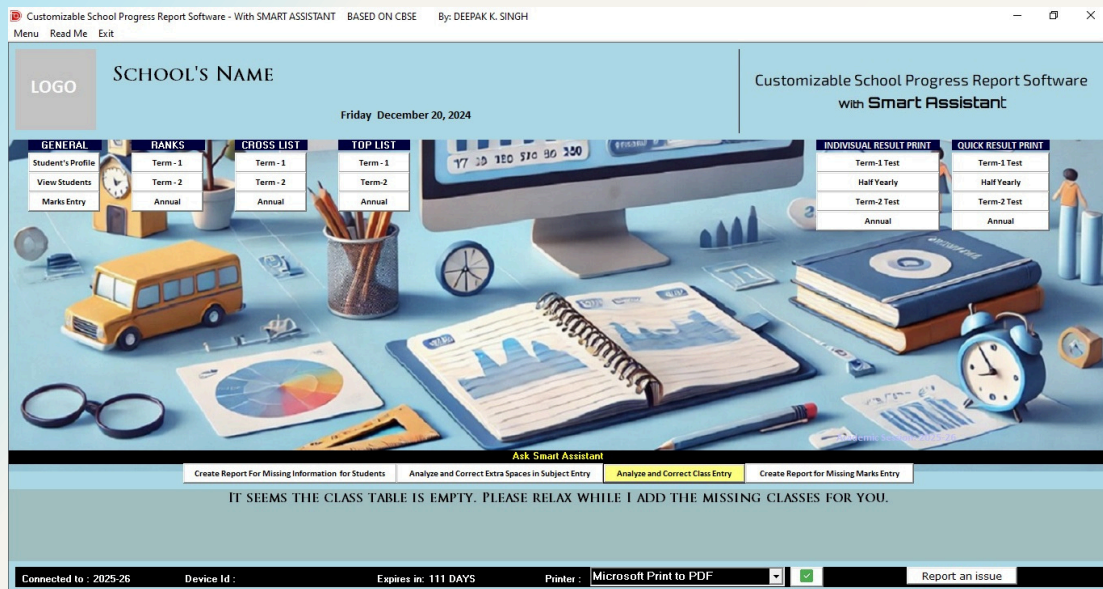

### 🤖 Smart Assistant Features

- 🖨️ Ready-to-Print Reports: Automatically generates reports for fee delays and non-payments.
- 🔍 Performance Monitoring: Alerts for database optimization needs.
- 👤 Student Insights: Provides detailed fee deposit status for every student.
- 📊 Class Status Monitoring: Get an overview of student distribution with actionable suggestions.
- 🚌 Transport Details: Comprehensive tracking of transportation status.
- 💳 Receipt and Transaction Details: Summarizes daily financial transactions for better clarity.
- 📅 Monthly Financial Overview: Highlights departmental expenditures for informed decision-making.
- 📄 Budget Status: Keeps you informed on budget allocations.
- 📄 Tax Reporting: Quickly generate income and expenditure tax reports.
- 📅 Event Alerts: Stay updated on special events and historical dates.
- 🔔 Note Reminders: Set alerts for important tasks and deadlines.

# Customizable School Progress Report Software (CSPRS)

*With Smart Assistant*

CSPRS is designed to streamline the generation and printing of progress reports, adhering to CBSE standards. With its customizable features and intuitive interface, CSPRS is the ideal choice for educational institutions looking to simplify their administrative tasks.

## ★ Key Features of CSPRS

### ✓ Essential Functionalities

- ✓ Based on UDISE data requirements.
- ✓ Import student details directly from Excel.
- ✓ Hassle-free marks entry with error prevention.
- ✓ Automatic calculations & grading.
- ✓ Effortlessly generate cross-lists and ranks.
- ✓ Highlight the Top 3 Students in each class instantly.

### 🤖 Smart Assistant Feature

- 📄 Reports missing data for each student.
  - ✂️ Cleans up extra spaces in subject entries.
  - 📁 Auto-adds new classes with ease.
  - 🔍 Identifies missing marks for quick updates.
  - ⚙️ Monitors the database and alerts you for optimization to ensure smooth operation.
- One of CSPRS's standout features is its Smart Assistant, developed with the help of AI to optimize efficiency and accuracy:

With CSPRS, your reporting process will never hit a roadblock! 🚀
